She shouldn't be here.

The air is too still. Controlled.

And then—he's there.

"You're not supposed to be here."

They don't move.

"You don't get brought here by accident."

"You reacted."

Chapter 3

“This place reacts.”

“To what?”

“Choice.”

Chapter 4

She steps back.

Distance matters.

“You didn’t realize you chose this.”

Chapter 5

The space shifts.

“It’s starting.”

“The part where you decide.”

Chapter 6

“You’re deciding even now.”

The space waits.

Chapter 7

She steps forward.

The space tightens.

“It’s learning.”

Chapter 8

"It's changing."

The place is alive.

Chapter 9

She steps back.

“You’ve done this before.”

Chapter 10

“What happens if I walk away?”

“You can.”

Chapter 11

“It makes things obvious.”

Chapter 12

Something forms ahead.

“That’s your first choice.”

Chapter 13

She steps forward.

The moment pulls her in.

Chapter 14

The penthouse.

“You reacted.”

Chapter 15

She steps in again.

This time aware.

Chapter 16

“Leave.”

“It’s what you didn’t do.”

Chapter 17

She lets go.

Chapter 18
